UNITED STATES GOVERNMENT

Memorandum

TO : C/GSD

DATE: 5 May 1965

FROM : DAD/S&D

SUBJECT:

25X1A

We ought to get together to determine who we talk to at [redacted] to tell these people that although they write pretty good proposals we are not going to stand any more of this horsing around. If we proceed with them on the [redacted] it is going to be kind of their last chance. I think we ought to beat them over the head with such things as [redacted] last trip report and I think it ought to be at a high enough level so that the ricochet will go the whole way through the organization. Specifically, before we go on the [redacted] I want to personally review how they are going to report their financial status and know that the guy who is signing is a responsible officer of the company.
